- 14.2 The Investor may from time to time advise Chimaera who is the Investor's Authorised Representative nominated to provide instructions to Chimaera for the purposes of this Agreement. Any such notice must be in writing setting out the name and original specimen signature of the Authorised Representative. If the Investor is a corporation, then without any such notice, each director and each secretary of the Investor from time to time is deemed to be an Authorised Representative. - 14.4 Chimaera may assume the legitimacy and authenticity of any instructions purportedly given to Chimaera orally or in writing (whether in the original form, by facsimile, email or otherwise) by the Investor or any person authorised to act on the Investor's behalf including the Investor's Authorised Representative, and Chimaera may also assume that any person claiming to be a person authorised to act on the Investor's behalf is in fact that person. Chimaera need not enquire into those instructions in any way. The Investor instructs Chimaera to act on those instructions believed by Chimaera to be genuine, including any notice received appointing an Authorised Representative. Chimaera is protected from any liability possibly incurred by it acting upon any instruction, notice, request, consent, certificate, instrument or paper reasonably believed by Chimaera to be genuine, properly executed or given by or on behalf of the Investor in accordance with this Agreement.
- 14.5 Contract notes issued by a dealer in respect of the Investor's trading activities (irrespective of whether the Investor has provided instructions to the dealer to execute a trade in Securities on the Investor's behalf) may be forwarded to Chimaera for the purpose of the settlement of the contract notes by Chimaera pursuant to this Agreement. Chimaera is entitled to treat the receipt of such contract notes as an instruction from the Investor to Chimaera to settle the contract notes in accordance with the terms of the relevant contract note.

 - 14.6.6 The Investor has satisfied any other term or condition imposed by Chimaera from time to time.
- 14.7 The Investor acknowledges that it is the Investor's sole responsibility to comply and ensure continuing compliance with the provisions of clause 14.6. Chimaera shall not be liable for any loss or damage howsoever caused if Chimaera fails or refuses to settle contract notes as a result of the Investor's failure to comply with clause 14.6. Chimaera may determine in its absolute discretion whether the Investor has complied with clause 14.6 and the Investor shall accept Chimaera's determination as final.
- 14.8 Chimaera is under no obligation to notify the Investor or any person acting on the Investor's behalf prior to a settlement if Chimaera refuses or fails to settle a contract note under this Agreement.
- 14.9 If the Investor chooses to issue instructions to Chimaera by way of facsimile or electronic transmission including email, those instructions will only be taken to have been accepted if and when Chimaera specifically acknowledges receipt and acceptance of those instructions.
- 14.10 Chimaera reserves the right to refuse to accept instructions pursuant to this Agreement from the Investor without prior notice, or to accept those instructions on conditions acceptable to Chimaera.
- 14.11 Chimaera may require the Investor to deposit security (in a form acceptable to Chimaera) with Chimaera in addition to the maintenance of cash and/or Securities in the Investor's account sufficient to fund a proposed trade before accepting any instructions from the Investor.

- 14.14 The Investor agrees and warrants that prior to the placement of any order with Chimaera to enter a Securities transaction on the Investor's behalf, assets are held in the Investor's account that, in the opinion of Chimaera, are sufficient to discharge the Investor's obligations in full in respect to the settlement of that order.
- 14.15 The Investor is deemed to have been notified of, and accepted, any variations to the Dealing Policy within 24 hours of Chimaera uploading the Dealing Policy with the relevant variations on its Website.
- 14.16 If the Investor has authorised Chimaera to send to another person contract notes or trading confirmations or any other statement (whether by way of a copy or only the original) of transactions entered on the Investor's behalf, whether that other person is the Investor's Authorised Representative or not, the Investor agrees that Chimaera fully discharges its obligations to the Investor to advise the Investor of activities on its account by sending the contract note or other statement as so directed.
- 14.17 The Investor will be deemed to have accepted and ratified the content of any contract note or trading confirmation or other statement or report issued by Chimaera to the Investor (in the absence of manifest error) unless the Investor sends Chimaera

a written objection to the contract note within 24 hours of the issue of that contract note to the Investor or the Investor's appointed recipient by Chimaera, but Chimaera reserves the right to correct errors on detection in complete satisfaction of that dispute.

- 14.18 Any communication received by Chimaera pursuant to this Agreement after 3:00pm (Melbourne time) on any Business Day, whether from the Investor or any other person, may at the option of Chimaera be taken to have been received on the next Business Day.
